A Letter from the Mayor

Residents,

As the summer has come to an end, let me thank everyone for coming out to the many concerts, festivals and special events in the village over the summer months. My appreciation goes out to all our dedicated volunteer groups and village employees for making these events possible. Some of the highlights were Symphoria in Beard Park, Jazz Fest in the park, Memorial Day Parade, Chicken BBQ & Steak Roasts at the Senior Center and we can't forget the Summer Recreation Program that so many of our youth enjoy each summer. Programs and special events like this are what make our community so vibrant and full of life. We are already planning next year's events. If you would like to help, please email us and let us know your interest.

At this time, we are finishing up on several projects involving the village infrastructure. The Gateway project near the lower village is finished on time and on budget. There is an information sign in the middle of the block explaining the new technology used and the added safety measures for our pedestrians who use this area. This enhancement was accomplished with the cooperation of both local and state agencies. Thank you to NYS EFC, NYS DOT, NYS DEC and Onondaga County DOT. Village DPW Superintendent Pat Massett and his crew performed as General Contractor. By doing this project in this way we were able to maximize the

grant opportunity to renew this focal point of our village. The icing on the cake will be the new welcome sign that is being constructed by our DPW force. Next spring we will be going to the other side to enhance the landscape, sidewalks and street lights for a perfect finish of the Gateway area.

We recently wrapped up slip-lining projects in the village which are key to maintaining our sewer infrastructure. With grants from the County WEP, we were able to slip-line these pipes from leaking. The result of this process will last for over 50 years and reduce I & I infiltration into the ground as well as take pressure off the sewer system. This is our third year with this program and we are seeing great results from this process. We hope the County will continue this great program so we can further renew and enhance our sewer system. The paving season is also done. We were able to address most of the troublesome areas. Our plan next year is to resume the program with Cape Seal and rebuild the roads that are in need of repair. If you feel your road is in need of repair, please email or call the village hall so that we may include you in next year's needs assessment.

We are in planning phases of two major projects for next year, our first project is Phase 4 of Canal Landing Park with new trails, path lighting and added recreation areas in the park that lead to the Erie Canal Feeder. We have a grant from the state and are waiting for approval on our proposed plans. I hope to be able to have the final plans released in the next few months and have another public comment period before we go out to bid in the winter. Our hope is to get the project off the ground in the spring. Another major project is the

Safety

- **School Zone Speed Limits**

Together we can prevent accidents and keep our families safe!

rebuilding of the retaining walls in the Pine Ridge neighborhood. These walls were rebuilt over 25 years ago and are in need of major repairs. We have applied for several grants to assist with financing these necessary improvements. This project will make sure that Bishop's brook will continue to flow and the bridges will remain in good repair while enhancing the area for all the residents in the village.

While we are on the subject, I want to make everyone aware that we have been very fortunate over the years to have received grants to help fund many important projects in our village. These grants have helped our facilities, our infrastructure and the overall fiscal soundness of our village. This year alone we will receive over a million dollars in grant funds for projects that range from the Gateway project, to necessary repairs at the Senior Center, to new turnout gear for the fire department, to a canal grant which will help repair sections of the Ledyard canal. Over the last twelve years we have received over \$4 million dollars in grant funding. This funding has enabled us to keep to keep the tax rate stable while keeping up on infrastructure needs and enhancing all village residents quality of life. Sincere appreciation goes to our state representatives, county representative and federal representatives because without their help, we could not be in the position we are today.

Fayetteville Fire Department continues to strive to be the best they can be. We are proud to announce that Chief Hildreth just received the news that our ISO rating has been reduced from a 4 to a 3. This reduction will save every village taxpayer on their homeowners' insurance as well as saving commercial property owners even more money. This rating reduction is a direct result of the dedication and hard work of the members of the fire department. On behalf of all the residents, I want to thank them for all their efforts.

Our DPW was very busy this summer with paving projects, the Gateway project, sidewalk installations and repairs, new street light installations and sewer repairs. These projects were accomplished in addition to their usual

daily and weekly tasks. The crew is now getting ready for another busy time, leaf season. In preparation for the demands of this time, we have added both labor and equipment. Increased seasonal staff and additional leaf boxes will allow us to haul more leaves away each day. We are putting all our resources at this time of year into leaves, recycling and garbage. Please be patient as this is one matter where Mother Nature really is in charge and we will do our best to get the leaves cleared as quickly as possible.

The senior center is in the beginning phase of planning for some major renovations over the next year. We were able to secure a grant from Assemblyman Stirpe, Senator Defrancisco and Community Development to enhance our center. This building is a very important asset to the village and I'm excited that we will be ensuring the long term viability of the center. Hopefully these enhancements will encourage more people to come to the center and enjoy all that it has to offer. As soon as the plans are ready, we will make them available at the village hall, the senior center and on our website.

As you have read, it has been a very busy summer and its turning out to be just as busy a fall. Please take time to enjoy the beauty of our village. If you have any questions or comments about anything in this article please feel free to reach out to me. I'm as excited today about our village as the day I took office and look forward to the bright future I continue to envision. Thank you again for the honor of being your Mayor.

Have a great fall,

Mayor
Mark A. Olson

FAYETTEVILLE FIRE DEPARTMENT

www.fayettevillefd.com

- ♦ National Fire Prevention Week is October 9th–15th.
- ♦ Child car seat checks are gladly done at the firehouse or can come to your event. Call 637-6101 to make an appointment to have your little one's seat checked by certified technicians on staff.
- ♦ We turn clocks back on Sunday, November 6th. **Remember to check the batteries in your smoke detectors.** This simple task saves lives!
- ♦ **This winter, fire hydrants need to be kept clear.** Please help the firefighters and shovel snow away from any nearby hydrant. It helps both you and the fire dept. in an emergency.

“Old Man Winter” is on his way.

Are you planning on hiring a Snow Removal Service?

Village Code requires that all contractors obtain a permit through the Village Clerk's Office.

Applications for Snow Plow Permits are available on the Village website under Files and Forms.

A copy of village codes can also be found on our website under *Village Laws & Codes* and clicking on eCode360 .

Autumn reminders from the Department of Public Works

When closing swimming pools, please be aware that **discharging** chlorinated water, filter backwash, or water containing cleaning and disinfecting chemicals **into the street is not permitted**. The Village of Fayetteville is actively involved in the Storm Water Management Program.

Leaf pickup will begin soon. Leaves can be placed along the curb, not in the road, and especially not on or near storm basins. They can also be put in the large brown bags sold by most hardware stores. Rocks and branches should not be mixed with the leaves because the village uses vacuum-operated leaf pickers. The leaf trucks will be around on a daily continuous rotating basis. Brush pickup will also continue, but we do not pick up grass clippings.

Any pumpkins for disposal? just place them beside your trash, not in the container, and they will be picked up.

If you need a **blue bin** for recycling, you can either call the DPW at 637-6065 for delivery or stop by the garage between 7:00 am and 3:30 pm.

The DPW no longer picks up electronics, however OCRRA has excellent information regarding proper disposal at www.OCRRA.org

CURBSIDE PICK-UP

Holidays falling on Monday, October 10 (Columbus Day) , Friday, November 11 (Veterans' Day) and Monday, December 26 (Christmas, observed) **will not** affect our regular collection schedule.

Pick-up that would normally happen on Thursday, November 24th and Friday, November 25th has been rescheduled for Monday, November 28th.

We wish you a very Happy Holiday Season!

Entertainment will be provided by Shawn Hebert and FMHS's jazz group, Swing 16. Reservations are required, contact the senior center for complete menu. 637-9025. Vegetarian dishes are available.**
- **Please support our 2016 Memory Tree Campaign.** As the holiday season progresses, the stoic pine near the Fayetteville Village Firehouse will be gradually illuminated in blue lights in remembrance and honor of our friends, family and special loved ones that are near and dear to our hearts. This is an annual event for FSC, started in 1979, by very loving and generous past members to pay tribute to those that have gone before us. Watch as the tree becomes more beautiful with each donation. **(tree is lit in stages not by individual bulb)**

FAYETTEVILLE
SENIOR CENTER

ANNUAL
MEMORY
TREE
CAMPAIGN
BEGINS IN
NOVEMBER

DONATION
FORM BELOW

Since 1979, the lone pine tree by the Fayetteville Fire house has been illuminated with commemorative blue lights in memory of our loved ones from seasons past. Won't you please help us celebrate the joy of the holiday season by making a donation to this meaningful community tradition?

As contributions are received, bulbs will be illuminated throughout the season, and the names of the donors and those remembered will be published in the Eagle Bulletin Newspaper. We will gladly notify the person you list below of your contribution if you provide us with the necessary information. Your tax deductible contribution will help assure continued quality programming at our Fayetteville Senior Center.

The star atop **The Memory Tree** shines in honor of seniors who have departed our membership during the past year.

I would like to donate an Archangel for **\$50.00** or more on the Memory Tree and dedicate a memorial to:

_____ \$ _____

I would like to donate a Seraphim for **\$25.00** or more on the Memory Tree and dedicate a memorial to:

_____ \$ _____

I would like to donate an Angel for **\$15.00** or more on the Memory Tree and dedicate a memorial to:

_____ \$ _____

I would like to dedicate a forget-me-not blue light on The Memory Tree for: **(\$5.00 each)**

_____ \$ _____

_____ \$ _____

_____ \$ _____

Total Amount Enclosed: (Payable to the Fayetteville Senior Center) \$ _____

Checks may be sent directly to the Fayetteville Senior Center, 584 E. Genesee St., Fayetteville, NY 13066, or to the Fayetteville Village Office, weekdays before 3:00 pm.

Your Name: _____ Phone: _____

Please notify: _____ of my donation.

Address: _____

Use only one form for each notification. **Please Print legibly.** Additional forms may be copied or requested by calling the Senior Center at 637-9025. **Thank You for your generosity.** [FSC is not affiliated with the Fayetteville Memory Garden.]
